

What does Piazza Rosso do?

We help business owner manage money.

How do we do this?

First, we help them answer the **one question** every business owner has to answer **every day**:

The Money Question

Does my company have enough money **today** –
and will it have enough money **in the future** –
to pay its bills and **stay in business?**

Second, we help them deal effectively with all the other money management issues they face, including:

Taxes, accounting, payroll, margin, cost structure –
and this list goes on.
