

The way small businesses manage money does not help them

The tool they use, accounting software:

- ++ Costs too much
- ++ Is too hard to use – and
- ++ Focuses almost exclusively on putting together information **for the IRS –**
not for you

Managing money **shows you:**

- ++ How your business is performing and
- ++ What you can **do** to improve its performance

Piazza Rosso knows how to do this.
To find out how, talk to a
Piazza Rosso Business Advisor.
